SENTRABIT

CASE STUDY · FINTECH

Babayar

Payment Point Online Bank

A mobile bill-payment platform — pulsa, PLN, multi-finance, transfers and e-tickets — with PIN security and real-time transaction reporting.

Android PPOB Fintech Mobile UI

SENTRABIT

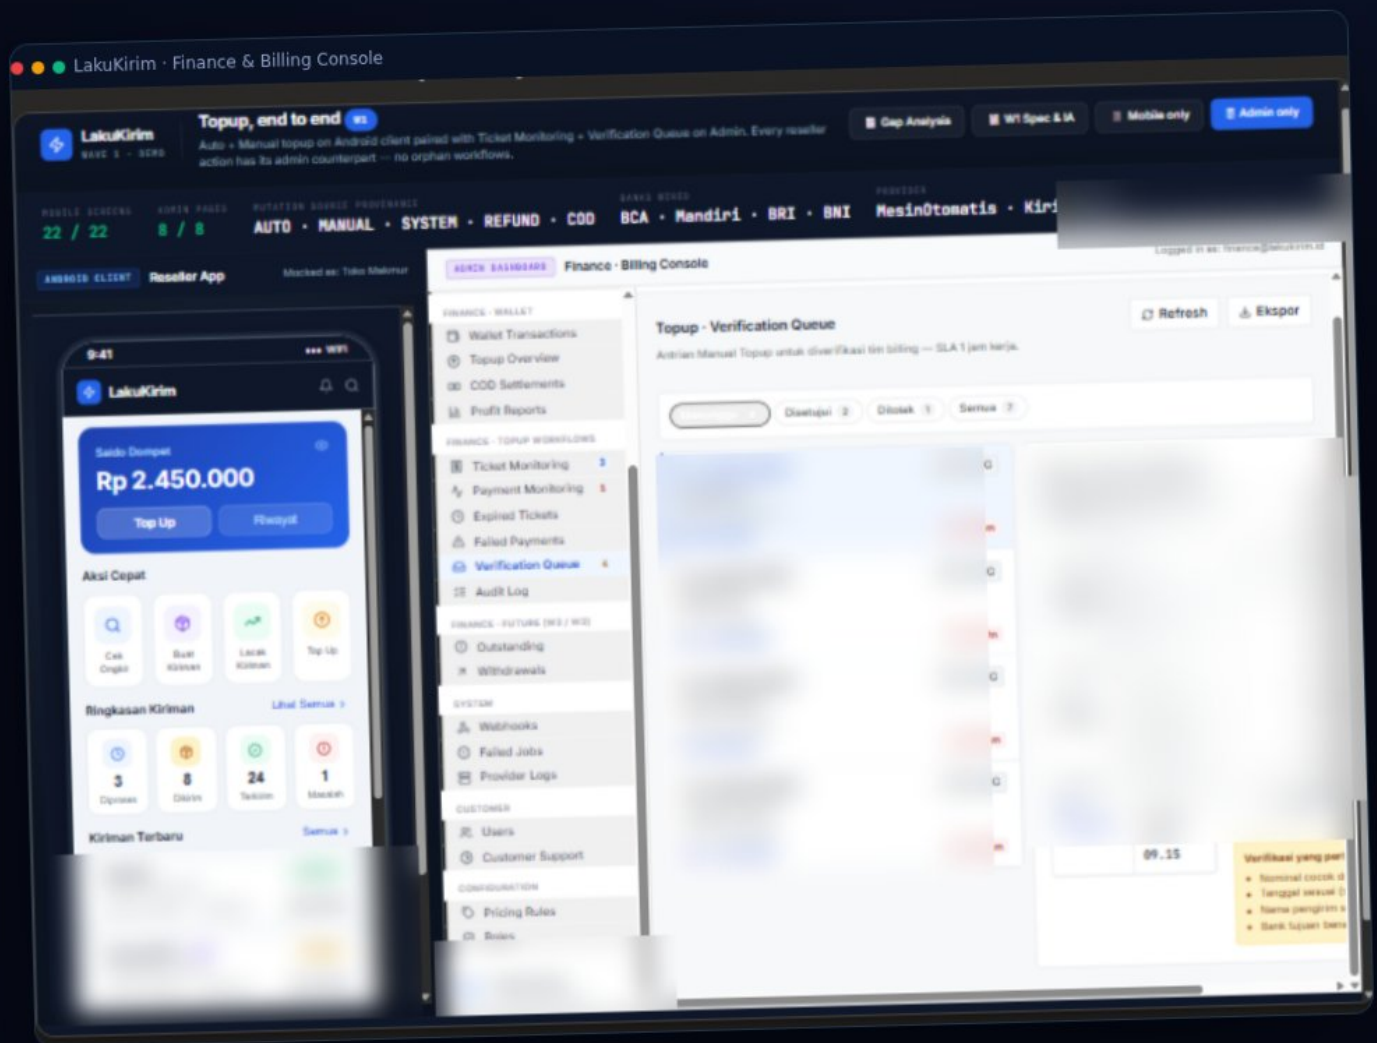

CASE STUDY · LOGISTICS AGGREGATOR

LakuKirim

Multi-Logistik Aggregator Platform

End-to-end topup platform pairing an Android reseller client with an admin verification queue and ticket monitoring — multi-courier (JNE, SiCepat) with COD, refund, and settlement workflows. Reseller data redacted.

Android + Admin Aggregator Topup / COD Verification Queue

SENTRABIT

CASE STUDY · ERP SYSTEM

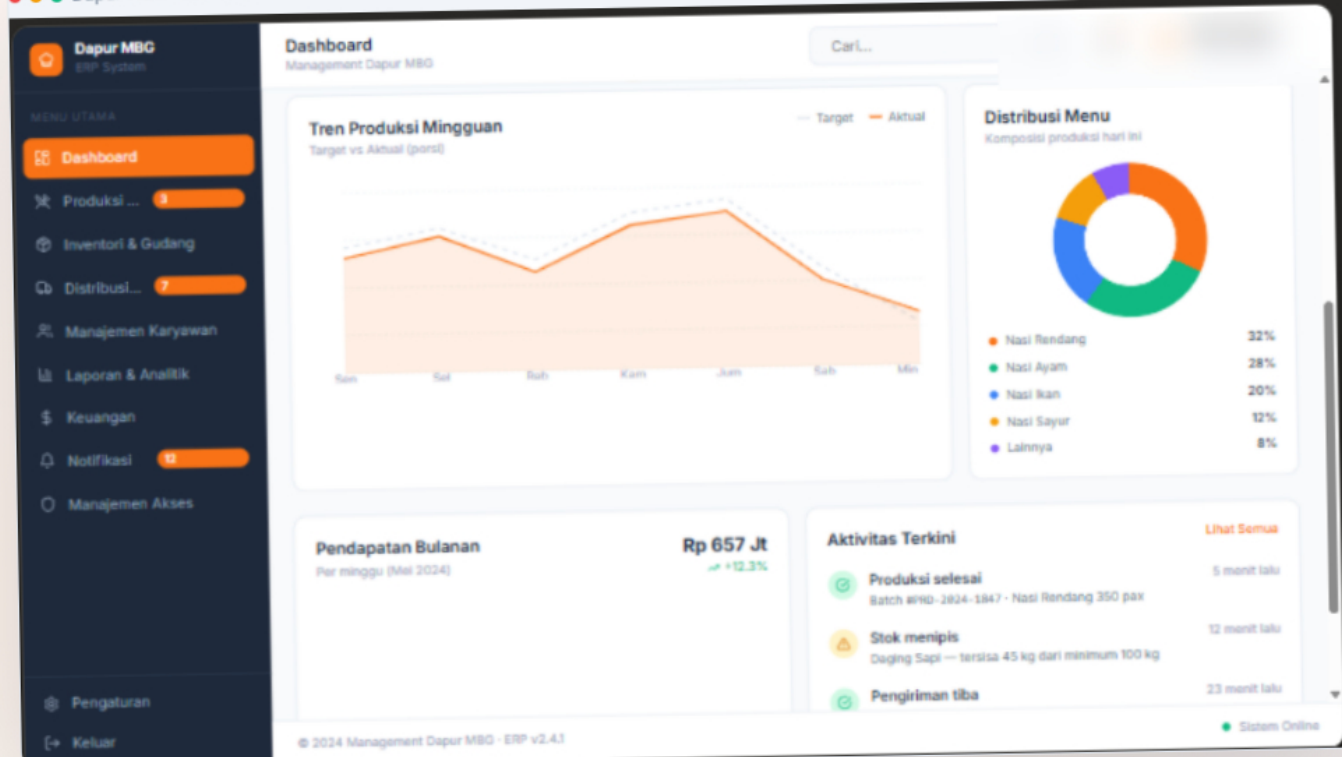

Dapur Makan Bergizi Gratis

Kitchen Management ERP

An ERP for free nutritious-meal kitchens — production planning, inventory & warehouse, distribution, staff and finance management, with a live operations dashboard tracking output against targets.
